Kentucky Baptist Fellowship

Chaperone Screening Form

Please list the name of each adult who will be coming to the 2012 KBF Youth Mission Weekend with your group (including staff, chaperones, and visitors). You will need to conduct a state background check (for the state which the adult resides) for each person listed. Any official background check that you have conducted within the past three years is acceptable. Please check the appropriate box to indicate that the background check has been completed for each adult. A church staff member must complete and sign at the bottom of this form. Bring the completed form with you to registration. Thank you for making the effort to protect the well-being of all our youth, as well as your own youth and adults. (www.ProtectMyMinistry.com is a reliable and inexpensive organization to go through for your church's background checks.)
